the american machinist shop note book A Collection of Articles, Written for the American Machinist by Practical Men, Covering a Wide Variety of Machine Shop Activities and Giving the Solutions of Problems that have Arisen in Machine Shops the World Over.

Machine shop practice books - Craftsmanspace

For decades, American Machinist and several other key trade journals, including the Industrial Press's Machinery (of which Colvin was the founding editor), helped machinists, from machine tool builders and job shop operators to factory hands, to keep abreast of current practice and new developments in a way that they formerly had not.
